Chairman Mike Davis opened the public hearing at 6:03 PM.

Minutes Acceptance: Minutes of Aug 8, 2017 6:00 PM (Approval of Minutes)

Rayland Downey, of 4720 NE County Rd 14004, Adrian, MO explained the request. He has run Ice Castles Trucking for 20 years. He is proposing a truck wash across the street from Love's, in the Love's Addition. The driveway needs to 140 feet in order to have trucks moving in and out of the space. He states that it will not affect traffic on Brookhart. He also stated that they have request another 30 feet south and west from the property owner.

Virgil Butler asked how many employees he would have. Mr. Downey stated that to start there would be 20 to 25. He hopes to run 24 hours a day, 6 days a week. When that happens he should have approximately 30 employees with 2 wash bays.

Virgil Butler asked if there would be any impact with the chemicals used. Mr. Downey stated that the chemicals will have no impact on the city sewer system. They also plan to have a recycled water system in place. Happy Welch added that it will have a sand filter to help filter out the oil and other residual chemicals.

Virgil Butler asked how it would affect the people on Brookhart. Mr. Downey stated that he has already connected with Love's and that have agreed to help stage trucks in their lot to minimize disruption.

Chairman Davis closed the public hearing at 6:13 PM.

Chairman Davis asked if Public Works, Engineering and Storm Water were all in agreement with this. Mr. Welch stated that they are.

Virgil Butler stated that this will bring jobs to Harrisonville, and that is a good thing.
