APPROVAL OF MINUTES: Acting Chairman Cathy Faris asked for a motion to approve the minutes from the September 13, 2016 regular session. DIRECTOR'S REPORT:

Director Deal reported that the Outdoor Pool leak has been located by the slide area. Mr. Deal stated it looks as though we may be able to fix the leak with a sleeve over the pipe. A pressure test will be performed after the sleeve has been placed onto the pipe to see if there are any additional leaks. Director Deal will keep the Park Board informed of any new developments.

Director Deal stated that the accessible playground equipment, purchased with the Rotary Club donation, has been ordered for City Park and will be placed near Shelter #2 once it arrives. Mr. Deal stated that the equipment ordered includes an elevated sand table, a generation swing that an adult and child can sit on together and another swing like the one that is currently out there now.

Director Deal stated that preparations are in full swing for this year's Haunted Hayrides that will be held on Fri., Oct., 28th & Sat., Oct. 29th along with Pumpkin Painting that will be held on Sun., Oct. 30th.

PARK SALES TAX:

Director Deal stated that he has provided the Park Board members with an updated timeline on the Parks Sales tax extension issue. Mr. Deal stated that the Parks & Recreation Sales Tax Brochure was made available out to the public at the HPR booth during the Burnt District Festival and is now available out at the front desk as well.

Director Deal informed Mayor Hasek that staff is requesting a work session on November 21st so that the Board of Alderman can see the final ballot question and make any final adjustments if deemed necessary. Mr. Deal stated that the final reading & request for approval of the ballot language from the Board of Alderman will be held on December 5, 2016.

Director Deal stated that the Park Board Finance and Personnel Committee met last week to discuss the Parks Sales Tax issue and formation of a campaign committee. Mayor Hasek stated that he is in full support regarding this issue and committee. Director Deal was thankful and stated that he appreciated the Mayor's support very much.

HCC & ODP MEMBERSHIP REPORT:

Director Deal reported that memberships are down as compared to this same time last year. Mr. Deal stated that from the cancellation forms received, departing members are stating that they are not using the facility, have moved or can no longer financially afford a membership. Director Deal stated that from his experience the pendulum swings from time to time and it is hard to know all the reasons why, but staff will continue to provide the best services that we can to retain and attract new members to the facility. Mr. Deal stated that hopefully the expansion of our weekly hours to open at 5am starting in January, 2017 along with our annual membership drive in December will help us gain back additional members. Director Deal stated that daily passes, class registrations and rentals are all up from this same time last year.

MONTH & YTD FINANCIAL REPORT:**HCC FUND:**

Director Deal reported:

- Overall revenue is down from this same time as last year
 - Membership revenue is down from this same time last year as reported with losses in our Adult & Family memberships likely in large part to the opening of a new fitness facility in town
- Overall expenses are down from this same time last year due in large part to the credit we received for back taxes that were paid to Missouri Gas Energy in error

PARK FUND:

Director Deal reported:

- Overall revenue is down from this same time last year
 - This is due to the timing of the transfer from the sales tax
- Overall expenses are steady from this same time last year

ODP FUND:

Director Deal reported:

- Overall revenue ended the season up over last year
 - Day Passes, Season Passes & Concession sales were all up from last year
- Overall expenses ended the season up over last year
 - Increased expenses due to hosting the South Suburban Swim Meet Finals & additional staffing expenses due to less rain days than budgeted this season

OTHER BUSINESS:

Mr. Roberts stated that the Steve Kagarice Basketball Courts Dedication ceremony went very well.

Mr. Allen inquired about the concrete repair work that was going on out front of the building. Director Deal stated that staff is completing the repairs in-house, which is saving the facility thousands of dollars.

Mayor Hasek stated that money has been budgeted for 2017 out of the General Fund for the resurfacing of the Community Center Parking lot.

ADJOURN:

A motion to adjourn the meeting of the Park Board was made by Mr. Miller, seconded by Ms. Weedman and approved unanimously by a voice vote of those present, 5-0. The meeting adjourned at 6:20pm. The next meeting is scheduled for November 8, 2016 at 6:00pm.
