Ratliff spoke about budget improvements made in 2023 and how they will impact future City budgets. Ratliff then discussed the ten-year outlook for outstanding debt and expenditures by fund.

Ratliff then went over each department and their statistics for the 2024 fiscal year. Ratliff also spoke about specific achievements and challenges seen by each department over the past year.

Ratliff said staff held a project scoping meeting with the Missouri Department of Transportation regarding the full Interstate 49 ramps at Missouri Highways 2 and 7 from the Cass County Justice Center to S Commercial Street. Ratliff said once the scope is finalized, the City will prepare a MoDOT Cost Share Grant application for the project, which is due in April.

RE: Amendment to Ordinance 3713

The board of aldermen passed Ordinance 3713 at the December 2, 2024, meeting. This ordinance approved the 2025 budget as well as the new rates for the electric and water departments.

The table reflecting the electric department's new rates reflected the wrong language for the power and demand portion. I've highlighted the area of the table that needs to be updated.

Staff recommends approval.
